SEA LIONS—Oregon Coast

Fishing and Hunting in Seaside, Oregon

Near Seaside are numerous excellent fishing streams, where the disciples of Izaak Walton may indulge themselves to their heart's content—in season. Angling for trout is excellent sport in the Necanicum, Lewis and Clark and Nehalem rivers, fly casting in the Spring being particularly fruitful. In the Fall come the Silversides, closely followed by the gamey Steelhead. It's a fisherman's paradise—and add to this the possibilities of surf-casting for pogies, rock cod and numberless variety of the finny tribe found in the briny. Lake Cullaby, only eight miles north of Seaside, has every facility for the "lazy" angler and his family, being well stocked with lake fish, including bass.

Game of all kinds abounds in the stream area around Seaside. During the season hundreds of deer are killed within easy hunting distance of Seaside. There are large numbers of elk which draw many nimrods to the district during the elk season. Accurate information on hunting and fishing is available at the Seaside Chamber of Commerce or at local sporting goods stores.

Business, Professional and Residential Directory

Of Seaside, Gearhart & Cannon Beach

Copyright 1952 By Margaret D. Bacon, Editor, Owner & Publisher

BERNCLIFF PRINTERS, 1602 S. E. Division — PORTLAND, OREGON

Seaside, Oregon, is an ocean resort city with a normal population of about 6,000 and, from May 1st to November 1st, an influx of visitors—tourists and vacationists—varying from 10,000 to 50,000 daily. It is estimated that 85% of the permanent residents of Seaside, including the business establishments, trades and professions, derive their incomes from the transient or tourist vacationist traffic.

Nearly all of our guests from time to time request information of some sort—where to find apt's., cottages or hotel accommodations, where to go, what to see, "Can you please tell me where John Doe lives." and other kindred questions. The primary purpose of this City Directory is to assist our visitors in securing this information. The secondary purpose is as an advertising medium, and it is through the co-operation and support of the advertisers included alphabetically herein that the publication of this booklet is made possible. They will appreciate your patronage as I appreciate your patronage.

Please keep a copy of this Directory in your home or office. Otherwise it is useless when needed. Compiled, Edited & Published by Margaret D. Bacon, owner.

POINTS OF INTEREST

In and Around Clatsop Beaches

TILLAMOOK HEAD—Seaside's premier close-in attraction for those who enjoy hiking through the forest primeval and mountain scenery. Tillamook Head is almost due south from Seaside, has a trail leading to the top where, from a vantage point of 1130 feet, one may stand where Lewis and Clark and party stood over a century ago and viewed the majestic Pacific ocean. This point is about four miles from the Turnaround at west end of Broadway.

Average hikers make this round trip in half a day, or one may continue on south to Cannon Beach, via Bald Hill, Indian Beach and Ecola Park, making a day of it. Return transportation by automobile or stage from Cannon Beach should be arranged. Distance from Seaside to Cannon Beach via Tillamook Head about ten miles.

ECOLA PARK—Ecola State Park, developed and opened to the public. No visitor to Seaside should omit seeing this beautiful park. Watch the Sea-Lions and Elk from Ecola Point. Stroll over its sylvan trails. Eat your lunch on tables provided in the shady nooks.

ECOLA PARK may be reached from Seaside by hiking to the Sailors Grave in Ocean Vista District, then hiking over Tillamook Head or by automobile in half an hour. By auto go south toward Cannon Beach about eight miles, then turn to right before crossing bridge at entrance to Cannon Beach. A splendid auto road leads to the Park. No better view of the Pacific ocean may be had than from Ecola Point in this Park.

SALT CAIRN — On Avenue Lewis & Clarkway in South Seaside, near the Prom. Of distinct historical interest, as it was here Lewis and Clark evaporated ocean water to obtain salt in 1806.

FORT CLATSOP — Fort Clatsop is of marked historic interest, as it was here the Lewis and Clark party spent the winter of 1805-1806 in a stockade camp. The stockade no longer exists, but a bronze marker indicates the spot. Go north from Seaside about fifteen miles, turn to right at directional sign, thence one mile to fort site.

NEAH-KAH-NIE MOUNTAIN — Go South from Seaside on Oregon Coast Highway, turn right at Cannon Beach Junction, about 17 miles to the Arch cape Tunnel; drive through to Neah-Kah-Nie and Manzanita on Oregon Coast Highway, which winds around mountain 1,000 feet above the Pacific—a beautiful drive and wonderful view of the ocean.

SADDLE MOUNTAIN — A wonderful day's hike and auto trip. Go south from Seaside on No. 12 Highway about 12 miles to Sunset Highway turn-off. Continue about one mile on Sunset Highway, then turn left up hill on the Saddle Mountain forest road about nine miles, then HIKE up Saddle Mountain. Get full advance information in Seaside from Chamber of Commerce.

SEASIDE GOLF COURSE—All natural fairways, near ocean. A sporty course with the Necanicum river running through it. Open to the public the year around. Southern limits of Seaside. Light lunches served in Club House on the golf course. Taxi or motor to the Club House on Avenue U.

GEARHART COUNTRY CLUB—Three miles north of Seaside, 18 holes, one of the oldest links in Oregon. Open to the public. Inquire at Club House.

ASTOR COLUMN—Visitors to Seaside are urged to visit Astoria, historic seaport city at the mouth of the Columbia, 20 miles north of Seaside on Lower Columbia highway, the fishing center of the Northwest. Of special interest is the Astoria Column, located on Coxcomb Hill, 700 feet above the business district. The Astor Column is a huge monolith, 125 feet high, with inside stairway to the top where a truly magnificent view of Astoria, the Columbia river and surrounding region may be had.

A visit to the salmon canneries should be made, information regarding which, and other local points of interest, will be gladly furnished by the Astoria Chamber of Commerce.

DAHLIA GARDENS—402 S. Holladay Drive. Miss Gunderson has won hundreds of blue ribbons at the Dahlia Shows here and in Portland and recognition elsewhere. And see the Gardens at Seaside Nursery, also Iris & Dahlia Gardens—other flowers, both on Hgy. 101 N.

PLAYLAND—Not a traveling tent show, but housed in one large permanent building, visitors in quest of healthy fun will enjoy Crazy House, Tunnel of Fun and other forms of amusement.

See Gayway Park, 115 Broadway, Merry-Go-Round, Ferris Wheel, Midget Autos, Boats and other amusements; see Penny Land, 201 Broadway; Fun Land, 315 Broadway.

SWIM at Seaside Swimming Pools, three large heated salt water pools and salt water steam and tub baths. Special passage to ocean beach.

SEASIDE SKATING RINK—Turnaround Bldg. Broadway & Prom. Fun for all.

SEASIDE PUBLIC LIBRARY, 739½ Broadway, adjoining City Hall. This well-equipped library is open daily, except Sunday, from 1:30 to 5:30 p.m. Visitors welcome. Special lending arrangements for non-residents.

CANNON BEACH—Nine miles south of Seaside by auto, or hike over Tillamook Head trail via Ecola Park. Drive on beach according to tide.

THE TIDES END OF PROM S.
MISS OREGON PAGEANT IS AN ANNUAL EVENT IN SEASIDE, ORE. EACH JULY. REPRESENTATIVES OF COMMUNITIES THROUGHOUT OREGON ARE JUDGED AND THE WINNER COMPETES LATER IN THE MISS AMERICA PAGEANT IN ATLANTIC CITY.

A WAY TO HAPPINESS

Keep your heart free from hate, your mind from worry. Live simply; expect little, give much; fill your life with love and kindness; scatter sunshine where there is rain. Forget self seeking. Think of others, and do as you would be done by.

Your life is a blessing
Of greatest worth.
Your love is more precious,
Than all things on earth,
Your faith is so loyal,
Your heart is so true,
May the best of everything
Be given to you.

God Bless You.

2. The flag should never be allowed to touch the ground.
3. The flag should be displayed from sunrise to sunset only.
4. When carried with other flags, the flag should be in front or on the right.
5. The flag should always fly at the top of the staff except when at half-mast for mourning.
6. When the flag is displayed against a wall, either vertically or horizontally, the field of stars should be up and to one's left when facing the flag.
7. When displayed across a street, the flag should be suspended vertically, with the field of stars to the NORTH or the EAST.
8. Never use the flag for drapery of any kind, on an automobile, on a speaker's table, etc. Use bunting instead.
9. Do not put lettering of any kind on the flag.
10. Do not use the flag in any form of advertising.
11. When used on a speaker's platform, the flag, if displayed flat, should be displayed above and behind the speaker. If I knew you and you knew me,
If both of us could clearly see,
And with an inner sight divine
The meaning of your heart and mine,
I am sure that we would differ less,
And clasp our hands in friendliness;
Our thoughts more pleasantly agree;
If I knew you and you knew me.

A Promise to Myself

To saturate my work with smiles,
And laugh all through the day,
Will whisk me o'er the stubborn miles
While traveling my way.
To live, to love, to be sincere,
Will drive away all my fear—
My troubles soon will cease.

I know that nothing matters much
If I but do my best,
I'll just apply this magic touch
To challenge and test.
I know how little that I need
If what I have has worth;
And I shall curb my silly speed
And spend more time in mirth.

I'll do my daily tasks with joy,
And chuckle, come what may,
I'll rise above things that annoy,
I'll smile, and work, and play.
My life will be a melody
Which I shall keep in tune
And happiness will come to me,
Bright as the moon in June.

Let's Be Brave

Let's be brave when the laughter dies
And the tears come into your troubled eyes.
Let's cling to the faith and the old belief
When the skies turn gray with clouds of grief.
Let's bear the sorrow, and hurt, and pain,
And wait till the laughter comes again.

Let's be brave when the trials come
And our hearts are sad and our lips are numb;
Let's strengthen ourselves in the times of test,
By whispering softly that God knows best.
Let us be brave tho we cannot know
We shall learn some time, it is better so.

Let's be brave when the joy departs,
Till peace shall come to our troubled hearts.
For the tears must fall and the rains come down,
And each brow be prest by the thorny crown.
Yet after the dark shall the sun arise,
So let's be brave when the laughter dies."

WHICH

Would'st thou be wretched?
'Tis an easy way;
Think of but self, and self alone all day;
Think of thy pain, thy grief, thy loss, thy care
All that thou hast to do, or feel or bear:
Think of thy good, thy pleasures and thy gain,
Think only of thyself, 'twill not be in vain.

Would'st thou be happy?
Take an easy way;
Think of those around thee—live for them each day,
Think of their pain, their loss, their grief, their care,
All that they have to do, or feel or bear;
Think of their pleasures, or their good, their gain,
Think of those around thee—'twill not be in vain.

KEEP SWEET

Sometimes just a little motto,
Kept in mem'ry to repeat,
Serves amazingly to help one
Rule his spirit and "keep sweet."
Here is one, and as you read it
Make a vow and oft repeat
That, no odds how ill you're treated,
You'll endeavor to "keep sweet."
Let your heart with stored-up sunshine
For life's shadows, be replete;
Gloomy natures will brighten
When they see that you "keep sweet."
Nothing pays like keeping cheerful;
Those have never known defeat
Who, tho tired, were kind and patient
Not forgetting to "keep sweet."
Sunny souls are always wanted.
How they cheer us when we meet
See that you are always counted
With those only who "keep sweet."

I pray the prayer that the Easterners do
May the peace of Allah abide with you.
Wherever you are or wherever you go,
May the Beautiful flowers of Allah grow
May your days of labor and nights of rest
Be forever and ever by Allah blest
So I touch my heart as the Easterners do,
May the peace of Allah always be with you.

Lord, make me an instrument of Your peace;
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is discord, union;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light, and
Where there is sadness, joy.

Who does God's work will get God's pay,
However long may seem the day,
However weary be the way.

Though powers may thunder "Nay",
No human hand God's hand may stay,
Who does God's work will get God's pay.

God hurries not, nor makes delay,
Who works for him will get His pay,
Some certain hour, some certain day.

He does not pay as others pay,
In gold or land or raiment gay,
In goods that perish and decay.

But God's high wisdom knows a way,
And this is sure, let come what may,
Who does God's work will get God's pay.

Cannon Beach Directory

Nine miles of beach extending from Ecola State Park to Archcape.

It was first explored by Lewis and Clark who came over Tillamook Head to see a whale. They named this Beach Ecola, meaning Big Fish.

In 1853 a cannon from U. S. sloop-of-war Shark, was found on the beach about 3 miles south of the Gables Hotel. Because of similarity in name to other towns, the name Ecola was changed to Cannon Beach in 1914.

Cannon Beach is rightly named. "The Beach of a Thousand Wonders." At low tide you can drive your car or ride horseback for nine miles on the beautiful hard sand beach.

Ecola State Park

Turn west at the north end of Elk Creek Bridge and drive two miles to beautiful Ecola State Park.

The CCC boys spent three years building miles of beautiful trails throughout the Park; there is also a good trail from Tillamook Head to Seaside.

The State furnishes free wood, stoves and tables, in various spots throughout the Park, making this an ideal place to picnic.

Ecola State Park is a game refuge and Elk and Deer may be seen in the woods at any time.

Sea Lions can be seen playing on Sea Lion Rocks opposite the Lookout in Ecola Park.

There is excellent surf fishing off the rocks north of the Lookout on Indian Beach.

A PRAYER

Give us, O Lord, in every home throughout the land
Grace and courage to take our stand.
Defending the right, until our labours give birth
To the Time that shall surely be;
When the peace of all nations shall cover the earth
As waters cover the sea.—Amen.

NINE LESSONS IN LIVING

Learn to laugh—a good laugh is better than medicine

Learn to attend strictly to your own business.

Learn to tell a story—a well-told story is as welcome as a sunbeam in a sick room.

Learn the art of saying kind and encouraging things.

Learn to avoid all ill-natured remarks and everything calculated to create friction.

Learn to keep all troubles to yourself, the world is too busy to care for your ills and sorrows.

Learn to stop grumbling—if you cannot see any good in the world keep the bad to yourself.

Learn to hide your aches and pains under a pleasant smile. No one cares whether you have earache, headache or rheumatism.

Learn to greet your friends with a smile. They carry too many frowns in their hearts to be bothered with any of yours.

ASTORIA, OREGON

It was the 11th of May, 1792, when Captain Robert Gray, carrying sea letters granted by President Washington, sailed into a great Northwest river. He called it "Columbia" after his little 83 foot vessel. He named the headlands at the mouth of the river Point Adams and Cape Hancock. Proceeding around the world, the Columbia became the first American ship to circumnavigate the globe.

It was one of the most famous voyages ever undertaken by an American merchant vessel. It resulted not only in opening up highly profitable trade between New England and the Northwest, but was of much influence in deciding our claims to the Oregon Country—contested by Spain, Russia and Britain.

In 1803, Jefferson commissioned Meriwether Lewis and William Clark to explore the Northwest country. They reached the mouth of the Columbia in November of 1805, built Fort Clatsop near Astoria, and that winter explored the territory. This early fort was destroyed by the Indians a few years later. The site, a few miles upstream from the mouth of the Lewis and Clark river, is now a park and their salt cairn near the ocean may still be seen at Seaside on Lewis & Clark Way.

Their discoveries attracted the fur traders of the Pacific Fur Company, organized by John Jacob Astor. In 1811, Fort Astoria was built on the promontory which then jutted out into the River and commanded a bay on either side. Today the westerly bay is the 'downtown' business area. The bay to the east is the site of Gyro Field. The Astoria settlement of 1811 was the first west of the Mississippi.

Fort Astoria was sold to the British and renamed Fort George. Restored to the United States in 1818, Fort Astoria became the goal of traders, missionaries, and settlers. Here was established the first Post Office west of the Rockies.

With waning fur trade and increasing emigration there developed the great lumber, salmon fishing and shipping industries. No 'mushroom' town, Astoria developed slowly but soundly. Today it is renowned as the fishing capital of the Northwest, with many large salmon, tuna and fish processing plants. Astoria and its neighboring communities boast of many and varied additional industries. Maritime commerce, boat building, lumbering, dairying, widely diversified farming, fish reduction plants, beef cattle, poultry and fur farming are well established and growing assets.

Astoria is the home of the Tongue Point Naval Base, a U. S. Lighthouse Service Depot, and a large Maritime Fleet Reserve Base. It has a huge airport, also used as a Navy Auxiliary Field. It lies in the heart of one of the Northwest's most scenic and popular summer playgrounds, Seaside, Oregon. 12 miles from Seaside on the ocean is Astoria the closest fresh water harbor on the West Coast, and the hub of the wheel of the Lower Columbia Territory. A visit to Seaside and Astoria is worth the time taken.

The Portland phone exchange at 2nd and Ankeny after girl operators replaced men. The first girls were hired in 1891, 13 years after the first exchange was built. Exchanges became local information centers plagued by countless questions. Mr. Pat Bacon on the right of the picture was switchboard manager at that time, later becoming manager, a position Mr. Bacon held for many years. He was with the company for 49 years starting as a boy of 15 years, as messenger. When Mr. Bacon started with the Pacific Telephone & Telegraph Co., there were 400 telephones—and two boy operators: one Mr. Bacon; the manager at that time was Mr. Thatcher. Now there are (July 31, 1952) in Oregon, 392,091 telephones; and in Portland, 206,749. Mr. Bacon retired in 1936 and passed away in 1947. He was beloved by all.
